RE: Annual Training Requirements - HIPAA

DATE: February 7, 2019

The release of the Kentucky Employees' Health Plan Annual HIPAA Training was delayed due to technical difficulties including the training in the Commonwealth's new training portal called MyPurpose. Instead of delaying any further, we have chosen to send the Annual training out through the link below for you to view.

As an Insurance Coordinator and/or Billing Liaison, you must complete HIPAA Training annually. **You can review the training [HERE](#).** Please review the training by **February 15, 2019**. There is no need to respond once reviewed.

Thank you for your time ensuring that you comply with the HIPAA Privacy Requirements for the Kentucky Employees' Health Plan.

If you have any questions, please contact [Jennifer Alvis](#)
